

## St. Patrick's Church Grotto Update March 2022

Last year, the Knights of Columbus Council 8544 completed the first phase of our renovation project. It included running new electrical lines, layering topsoil, installing LED lighting, cleaning lime deposits, pointing the stonework, adding seeding, inserting drainage pipes, and planting 12 rhododendrons (12 Disciples of Jesus). In addition, the Knights mulched, transplanted trees, cut down growth behind the Grotto, and refurbishing the benches.

This year we will continue to mulch, fertilize, and plant perennials for continuous blossoms the entire season. A section will also be made in memory of the school.

**Please feel free to visit, pray and reflect.**
